

Community Services:

Objective:

To assist individuals by strengthening their communication skills, soft skills, and technological skills which help to improve their quality of living.

Our programs are customized for different skill levels and age groups to ensure a positive and successful outcome by observing different needs and interests of individual participants.

Types of services:

EarlyON:

- TCCSA offers free and fun EarlyOn programs for families and children that are designed to encourage children to explore and learn in creative ways.
- Programs include:

Day Camps and Special Events:

- TCCSA offers spring break and summer day camps for children and youths. Through the camps, children and youths are given the opportunity to develop numerous life skills and try a variety of new activities with their peers. The programs can be half day or full day.
- Throughout the year, TCCSA runs a variety of special events that celebrate Canadian and multicultural festivals.
- You can find out more information about our upcoming day camps and special events on our Event page.
